About TGPCET

Tulsiramji Gaikwad-Patil College of Engineering and Technology (TGPCET) was established in the year 2007 by Vidarbha Bahu-uddeshiya Shikshan Sanstha (VBSS), a registered society. It is a self financed Private Engineering College, which is affiliated to Rashtrasant Tukadoji Maharaj Nagpur University (RTMNU) Nagpur and is approved by All India Council for Technical Education, New Delhi. Also college is approved by Directorate of Technical Education (DTE), Mumbai, Maharashtra State. The Institute is Accredited with A+ (3.32 CGPA) by NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL (NAAC). An Autonomous Institute affiliated to RTM Nagpur University, Nagpur.

About Department

The institute offers course of B.Tech in Information Technology since 2007 and Post-graduate Programme (M,Tech.) Artificial Intelligence & Machine Learning (New) with intake of 18 (Eighteen).

We possess a team of experienced and well-qualified teachers with well-versed of subject knowledge and having a deep, steadfast commitment to disseminate quality & value-based education in technical subjects.

The department library serves more than hundred reference & text books as a ready source of information.

Information Technology dept. has various applications in the field of Software Testing, Software Development, E-governance, E-Commerce and other such like industries.

The Department is dedicated to research, education and overall excellence.

The various programs taken up here aim at exposing students to the developments in the field of computing, thereby enabling them to meet the needs of the IT industry and research organizations in India and abroad.

Institute Vision & Mission

Vision -

To emerge as a learning Center of Excellence in the National Ethos in domains of Science, Technology and Management.

Mission -

- To strive for rearing standard and stature of the students by practicing high standards of Professional ethics, transparency and accountability.
- To provide facilities and services to meet the challenges of Industry and Society.
- To facilitate socially responsive research, innovation and entrepreneurship.
- To ascertain holistic development of the students and staff members by inculcating Knowledge and profession as work practices.

Department Vision & Mission

Vision -

To emerge as a learning hub and centre of excellence in the domain of Information Technology

Mission -

- To impart quality technical education through effective teaching learning process.
- To provide a platform to address societal issues as well as challenges faced by IT industries.
- To foster a culture of research and impart innovative and entrepreneurial skills in the field of IT.
- To ensure overall development of students and staff by inculcating knowledge and professional ethics as a part of lifelong learning.

Management Desk

Dr. Mohan Gaikwad Patil
Chairman GPGI

I extend my heartfelt best wishes to the Department of Information Technology for the publication of the newsletter Infotimes. This initiative reflects the academic excellence, creativity, and technical awareness of our students and faculty.

I hope that this newsletter will serve as a platform for sharing knowledge, innovation, and technological advancements among students. I congratulate the editorial team for their sincere efforts and wish them continued success in future editions

Mr. Akash Gaikwad Patil
Vice-Chairman GPGI

I extend my sincere best wishes to the Department of Information Technology for publishing the newsletter Infotimes. This initiative provides an excellent platform for students and faculty to showcase their technical knowledge, creativity, and innovative ideas.

I appreciate the efforts of the editorial team in bringing out this newsletter and hope that Infotimes will continue to inspire students to explore new technologies and enhance their professional skills. I wish the team great success in all future editions.

Dr. Sandeep Gaikwad
Treasurer, GPGI

I am delighted to convey my best wishes to the Department of Information Technology for the publication of the newsletter Infotimes. Such initiatives play an important role in encouraging students to share technical knowledge and innovative ideas.

This newsletter reflects the collective efforts of students and faculty in promoting learning beyond the classroom. I congratulate the entire team for their dedication and hope that Infotimes will continue to grow as a valuable source of knowledge and inspiration.

Dr. P. L. Naktode,
Principal TGPCET

I am pleased to extend my best wishes to the Department of Information Technology for publishing the newsletter Infotimes. This initiative provides a valuable platform for students and faculty to share their knowledge, creativity, and technical achievements.

I congratulate the entire editorial team for their dedicated efforts and hope that this newsletter will continue to encourage innovation and academic excellence among students

Dr. Pragati Patil
Vice-Principal TGPCET

I extend my heartfelt congratulations to the Department of Information Technology for the publication of Infotimes. The newsletter reflects the enthusiasm, technical skills, and innovative ideas of our students. I appreciate the sincere efforts of the faculty and students involved in this initiative and wish them continued success in future editions.

Prof. Abhay Rewatkar
HoD, IT

Dear Readers,

I am delighted to present the welcome message for our newsletter “TGPCET INFO-TIMES” which gives glimpses of the cumulative efforts of the Department of Information Technology (TGPCET) & highlights major key activities that have taken place during the academic year 2025-26(Odd Semester) guided by the Honorable Management & Principal and supported by the administration. Welcome to this edition, where we explore key developments, trends, and innovations shaping the information landscape. In today's fast-evolving digital era, staying informed is not just an advantage but a necessity. As information professionals, we must embrace continuous learning, harnessing emerging technologies like AI, data analytics, and cybersecurity to remain relevant and efficient. At Info Times, we encourage collaboration and knowledge sharing. Let's foster a culture of innovation and adaptability, ensuring that we are not just keeping up but leading the way in this information-driven world. Our department has a team of qualified and experienced faculty and staff members and we are striving hard continuously to improve upon the quality of education and to maintain its position of leadership in engineering and technology. The core values of the department help the students to develop their overall personality and make them worthy technocrat to compete and work at global level. I am certain that our students will prove to be an invaluable asset to an organization.

Editor Note

Mr. Jayesh Fating
Assistant Professor

Dear Readers,

It gives me great pleasure to present to you the latest edition of our Information Technology Department Newsletter – a vibrant reflection of our academic spirit, technological advancements, and collaborative achievements.

In this issue, we spotlight our department's key milestones – from successful workshops and guest lectures to student innovations and faculty accomplishments. With the IT landscape evolving rapidly, our aim is to keep you connected with the trends shaping our learning environment, and the minds driving those changes.

This edition also features glimpses of student-led initiatives, hands-on projects, certifications, and the noteworthy contributions of our alumni. The passion and energy of our students, supported by the dedication of our faculty, continue to position the department as a hub of innovation and excellence.

ONE WEEK HANDS-ON WORKSHOP ON AI & GREEN SKILLS

Objectives of Program

- Introduce core and advanced concepts of AI, ML, NLP, and Deep Learning
- Enable hands-on experience with Python, data analysis, and AI tools
- Develop skills to solve real problems using AI/ML approaches
- Provide access to project-based learning and LMS resources
- Facilitate industry linkage and career opportunities

Day-Wise Highlights

Day 1 – Green Skilling & AI

- Sustainability & SDGs overview
- AI/ML basics with case studies

Day 2 & 3 – Python & Visualization

- Python fundamentals + GitHub Co-Pilot
- Data analysis and climate visualization projects

Day 4 – Machine Learning

- Supervised/unsupervised learning
- Regression and clustering on environmental data

Day 5 – Deep Learning & Gen AI

- Neural networks and CNN project
- Introduction to Generative AI

Day 6 – Ethics & Capstone

- AI ethics and sustainability
- Capstone project: energy prediction

Expert: Mr. Christopher John, Principal Engineering Manager, Persistent Systems, Nagpur

Aim of the Guest Lecture: To introduce students to Salesforce AI and its role in transforming customer relationship management through intelligent automation and personalization.

Objectives of the Guest Lecture:

- Provide industry insights through real-world use cases
- Enhance understanding of AI technologies such as ML, NLP, & Generative AI
- Highlight AI applications across Sales, Service, Marketing, and Commerce Clouds

Outcomes of the Guest Lecture:

- Improved understanding of Salesforce AI and its real-world business applications
- Enhanced awareness of AI technologies like ML, NLP, and Generative AI
- Better insight into AI-driven customer engagement and decision-making
- Increased knowledge of industry practices and emerging career opportunities
- Encouraged interest in ethical, secure, and responsible use of AI

Conclusion: The guest lecture effectively enhanced students' understanding of Salesforce AI, its industry applications, and future career opportunities in AI-driven technologies.

Hey Guy's.... Proud to be an alumnus of the Department of Information Technology, TGP CET , Nagpur.

Our IT department is not just about codes, databases, and networks — it's the true heartbeat of innovation. A family where algorithms turn into applications, where debugging leads to discovery, and where every challenge becomes a gateway to new opportunities. The teaching staff here is not only knowledgeable but also incredibly supportive, always guiding us like mentors through every module, project, and deadline. With their constant encouragement, our department has achieved excellent placement records, connecting students with top MNCs and leading tech companies. Grateful to be a part of such a hardworking, inspiring, and future-driven department that not only builds engineers but nurtures problem-solvers and innovators of tomorrow .

I am truly grateful to be a part of the IT Department. The department has always focused on building both technical and professional skills, which has helped students stay industry-ready. The guidance from our professors, the well-structured curriculum, and the encouragement to take part in seminars, workshops, and projects have enhanced our learning journey. The department not only nurtures technical excellence but also emphasizes teamwork, problem-solving, and innovation. I sincerely appreciate the efforts of all faculty members who constantly motivate us to grow and succeed in our

Being an alumnus of the Information Technology Department is a matter of great pride for me. My years here were instrumental in shaping both my personal and professional growth. The department strengthened my technical foundation and taught me to approach problems creatively while working effectively in teams.

The challenging curriculum, hands-on projects, and supportive faculty helped me develop strong analytical and leadership skills. Leading the Mavericks team and winning inter-college project competitions were memorable experiences that boosted my confidence.

I am deeply grateful to the dedicated faculty and staff whose guidance extended beyond the classroom, preparing me for real-world challenges and inspiring me to pursue my Master's in Computer Science at the University of Sydney. I will always cherish my time in this department for its learning, innovation, and encouragement.
